September Show Judge Diane Gregg

Born in Southern California, drawing and painting has been a passion for most of her life. Diane's early childhood memories are of sitting with her aunt and drawing objects around her home at the age of four or five. While living in London she took sculpting classes and taught Art at TASIC an International School outside of London. On return to the United States, Diane received her degree in Interior Design. After working in the industry for several years she became a full time artist working with interior designers creating custom art for their clients. Seeing that her focus and happiness was in painting, she then received her degree in Art, graduating with distinction in Art from San Diego State University in 1995. That same year she moved to Hong Kong and became involved in the art community. She was a founding member of "Artists Abroad" an organization dedicated to emerging artists in the international community of Hong Kong. She presently is a working artist and interior designer in San Diego. Most of her work is commissioned and she also enjoys teaching small painting classes in her studio located in Tierrasanta.

For her demo, Diane will create a large abstract painting in front of your eyes.

CLOSED ON MONDAYS.

ART IN THE PARK

Sunday, Aug 21, 2005
Hours 12:00 Noon to 4:00pm

Art in the Park is a guild event to promote the gallery and it's members. It's a fun time to mix and mingle with your fellow artists and the public on the new green grass right across from the gallery in Leucadia Roadside Park. Any member is welcome to just show up on the date, but if you're going to set up display tables, etc. for items for sale, please come between 11-12 so that things are set up by 12 pm.

The event will be more successful if everyone stays until 4:00 pm. Anyone attending needs to read the information sheet and fill out the liability release form. The release form can be given to the coordinator the day of the event when you arrive or placed in Laura Lowenstein's file folder at the gallery earlier. If you plan to display on the veranda, please contact the coordinator to make sure there are no conflicts with our neighbors' plumeria sales. If artists want to sell their work, they do need a resale license. Anyone without one and wanting to sell, please talk with the coordinator before attending.

We had 11 artists at the Art in the Park event on July 17th. The weather was perfect and everyone enjoyed the camaraderie. We had folks stopping by for the art and the plumeria sales in our parking lot. Between the two and Kirk Van Allen's giant kite/sculpture on the back of his truck, we had a happening!

Please contact Laura for information and applications. (760)753-3254
lowenstein@adelphia.net

The September date has been cancelled so that more artists can participate in the RSF Art Gallery's event on the same day.

If you miss out on the chance to participate in the first two "Art in the Park" events, we will be having another October 16, 2005

On Sunday, Sept. 18, the Rancho Santa Fe Art Guild will have their annual Art Fair, on the parks in front of the gallery (in front of the Inn, also). This year both parks will be used and not the street.

There will be 135 spaces available to set up artwork to sell as well as demonstrate, if you like. The fee will be \$75 for non-member of the RSFe Guild. More than one artist may share a space. This would be an excellent place to hand out fliers about our "Art in the Park" event in Oct. and about our gallery. *(The SDAG "Art in the Park" event for September has been canceled because we did not want to discourage SDAG members from taking part in this one in Rancho Santa Fe, and it was scheduled to be on the same Sunday.)*

Sales will be handled by each artist, and everyone must have a resale license. Set up time is 8-10 am and the Fair will close promptly at 5 pm.

Artists are asked to come to the gallery to select their space, fill out the form and pay their entry fees. The gallery hours are 11-4:30 Tues.- Sat. and is located at 6004 Pasea Delicias, Rancho Santa Fe, behind the Union Bark. Call the gallery with questions, 858-759-3545.

FOR SALE: On your next trip up to the Torrey Pines State Reserve, go to the Visitors' Center and look at the original Alfred Mitchell oil painting in the rangers' office. Giclees of it are for sale there for \$50 each. It is a beautiful painting of the park and you would be supporting the park by buying one. Ask Joan Grine for more info.

Gallery Manager's Corner

I am excited to announce that we have found a wonderful replacement for myself as Gallery manager, **Grace Swanson**. She will be taking over in September and I know she will bring much expertise and organizational skills to the job as well as being a fun person to work with.

Our little corner location has brought folks into the gallery despite not having "walk in traffic". We still have people coming in that have "found" us again that used to go to the Pannikin. For those of you who have cards for sale, you'll be happy to know that cards are a big selling item (14% of sales). We had a customer recently that bought \$50.00 worth when **Walter Berk** sat in July. (Thank you to Walter for creating a special gate opening device. With the gate open each day, customers feel more welcome.)

If we can get them in for the cards, they might stay long enough to buy other things that same day or come back another day. Word of mouth has always been one of our best ways to promote our gallery & guild. Please remember this as we're out and about and talk up the guild and the gallery.

A couple of things coming up to note: Our first quarterly reception will be Friday, October 14th from 4 to 8 pm. Please don't miss out on this fun event and important time to mix with our clientele. **Joan Grine** is head of the reception. If you can help, please contact her.

And the next **Art in the Park** event will be Sunday, October 16th. The weather should still be warm & sunny that date.

Again, it can't be said too much, "*Thank You*", to all who volunteer their time to keep our gallery running smoothly. Each and everyone is appreciated. Any ideas on how to improve the daily running of the gallery or to promote it, please contact either myself or another of the board members.

See you at the gallery,

Laura Lowenstein

Isabella volunteered to help with Publicity until a volunteer is found. She will need help. The Board has decided to add four new positions under Publicity to split up this function into more manageable areas of responsibility: Marketing Director, Events Coordinator, Calendar Coordinator, and someone to be a Database Manager. Right now these are some of THE most important jobs we have. We need eager volunteers to help the Guild build on the momentum established this year-- and we need them *right away!* Let the board know if you can help with any of these jobs.

We thank out going board chairs for their past terms and hard work:

Isabella Breasted	President
Alison Casciano	Publicity Chair
Jo Ann Ginepra	Parliamentarian
Joan Grine	Monthly Art Chair
Priscilla Rogers	Assistant to PR
Polly Torkar	Offsite Show Chair

Many of the Board members for next year have served during the last two years. In fact some of us have been on the Board for ten years or more! *We would like to see more members share the responsibilities of our Guild!* *We need new members to train as assistants* so they can be ready to take a board position next year or the year after. And there are other very important positions that need assistants. We will need help for the Small Image Show, the Mother's Day Garden and Studio Tour, the December Cash Awards Show, Grant Writing, Orientation Training for new members, Wall Renting Take-In, Web Site updating.

Please think over what area you might be interested in and contact any board member. Membership gives some benefits such as hanging in shows and participating in Guild activities, but without everyone's help, we can't run our guild and gallery smoothly & effectively. Remember, **Volunteering is a major part of membership.** **So please speak up and show up! We need your help.** Besides, it's more fun to join in.

Farewell From the Outgoing President, Isabella....

My dear friends and fellow artists,

We have gone through a lot of changes during the last two years and I feel we have accomplished a great deal in the process. Most notably, we were able to keep our gallery open after being forced from the Pannikin location.

My special thanks go to our Board members who have worked so hard in every way to improve Guild operations. They have worked tirelessly with the move to our new location. Their support and help have been awesome! Congratulations and my heartfelt thanks to you all for your superb and gracious service.

All of us owe cheers and hi-fives to the Chair of the Mother's Day Garden and Studio Tour, Cris Weatherby and her fabulous crew for doing a wonderful job raising just over \$11,000. And thanks to everyone who donated their homes for that tour, all of you who worked so hard, the artists who provided art, and all the helpers who did so many unheralded jobs so quietly and made it all work so beautifully.

We certainly could not have moved into our new location if it were not for all the creative ideas and long hours of dedicated work that many contributed. A special thanks goes to **Pete Fay and Walter Berk** with help from **Kirk Van Allyn** and many, many others in getting the new gallery physically set up. (So many that it would take at least another page to recognize them all individually.) Peter was especially instrumental in developing our hanging and display systems, both for the cards and hanging art, as well as the new shrink-wrap bin. He also helped put together a budget proposal to assess our move options. In recognition of his long-time devotion and service to the Guild and the gallery, the Board voted to make Peter an Honorary Life Member of the Guild Congratulations Pete and many thanks for all you have done.

It is generally accepted that a new business takes five years to become established. Our new gallery has been open now for seven (7) months, hardly enough time to gauge our future! The new Board is determined to make an all-out effort to improve and grow in every way possible so that our gallery will succeed. And *we need all of you to help us.*

Remember, word of mouth is often the most

important source of advertising there is! Helping as assistants to the various Chairs, especially Publicity, will get the word out about our gallery. The outgoing publicity team, Alison Casciano, Priscilla Rogers and Natalie Barreiro, has put together a suggestion for restructuring that function into several smaller jobs.

My feeling is that is we can fill those positions and enthusiastically implement all our best suggestions to make the most of our opportunities.

Coming up we have possible income from two new sources. The first is the donation to the Guild of Op-Art paintings by Roy Soravia, described in the *Paint Rag* a couple of months ago. We have taken a number of them to an art dealer, Joel Hensler, in Redlands to be auctioned. If we are fortunate and this goes well, we will have additional funds to add to our coffers. If you would like to get the auction dates and watch it live, go to Joel's site at: Catalog: Summer Solstice Fine Art Auction.

Another way for us to make some money is to thru i-soldit, a store in the Albertson's Wiegand Plaza shopping center at 145 N. El Camino Blvd, Ste C, in Encinitas. You can take items (worth \$30 or more) for them sell on e-Bay. They take care of all the details for you and the check for the sale goes into our San Diego Art Guild Account(under "SDAG") minus their commission of 25% to 28%. It is a great way for members and friends of the gallery to help us at the same time they are helping themselves. Call me for more information on acceptable items and limitations on size or check at the gallery. And yes, you can set a minimum selling price for the item. If the item does not sell, you can pick it up within 10 days of the close of the auction or it will be donated to charity. I know a lot of us can do this, so I will thank you in advance for your donations! Go for it!

We have a number of events to look forward to as well. The second annual Taste of Leucadia or "Food for Thought" is set for Thursday, September 15th, 6:00-8:30 P.M. Last year we were at the Pannikin for this but this year our little Roadside Park is going to be the "center of attention" and that puts our little gallery right in the middle of the mix! Leucadia 101 would like us to have artists out in the parking lot as we did with the Art Walk. There will be a lot of publicity on the radio and TV, fliers, and Internet. Advance tickets are \$15 each and go on sale Aug 15th

(\$17.50 at the event). There will be food tasting all up and down the street. Plus music, entertainment and the famous Pontification Podium at the park. I urge you to join in and have fun at this imaginative community event.

In September we are not having our own Art In The Park because the Rancho Santa Fe Art Guild is putting on their Art Faire on September 18th. I would like us to have our booth there and I will provide the hanging displays. Everyone says it is a LOT of fun and it's a *wonderful chance* to publicize the guild and the gallery and hand out information. Many of our artists are already planning to be there. Call Joan Grine if you would like to rent or share rental space.

On Friday, October 14th from 5-8:00 p.m. we will have our first Rotation Art Reception. We will have all new and fresh artwork from the rotation as well as the monthly show on the wall. Invitations will be sent out to our customers inviting them to mingle with us artists and enjoy a reception with finger foods and wine. *Yes, wine!!* It should be fun and has proven to be successful at other galleries. We plan on a regular schedule of reception every 3 months on the second Friday following wall and floor rotations.

Thank you for giving me the honor and the privilege of being your president. It has been a challenge and a lot of fun. I have truly enjoyed it. I have learned so much from so many of you. I have made new and wonderful friends of a lifetime. It has given me new life and new hope. I am grateful beyond words. Thank you Shirley Hawley for putting my name up for consideration. Thanks to all the Board members for helping me along the way. It has been a joy and I am ever so grateful!

Your new president, **Laura Lowenstein**, is a very energetic, resourceful, and organized person. I think she is a good leader and will do a great job for us. She will need all of you to help in making our gallery succeed. We are counting on her, but she is counting on us as well. Together with our fine new Board and your help we're looking forward to the next year for the Guild and our gallery.

Best wishes to our Guild and God Bless us all!

Isabella

Suggestions from Isabella -- lots of local opportunities to publicize our gallery while we participate:

Art In The Park The little Roadside Park across the street has brand new sod and we have our next gathering coming up on August 21st from 12:00 - 4:00. See Laura's information on how to get involved in that.

Farmer's Market Every Sunday at the Paul Ecke School grounds, from 10:00 - 2:00. Proceeds from that go to the PTA. Our jeweler, Claudette Parham has a booth there and she has been doing *very well*. She recommends that you try it. The Guild has a canopy. If several members want to try it, we can take art down there and hang it to sell. I will donate the use of my easy-to-use display equipment for hanging.

Booth at the Seaside Bazaar on any weekend. We just need volunteers to set up and man the booth. We can sell art and publicize the gallery at the same time. Steve Olson, who owns and runs the Bazaar, said he would give us a *big discount* if we want to try it.

Encinitas Chamber of Commerce has Sundowners -- Every second Tuesday of the month. The Guild is a member, which means we have a chance to display our "products" (art in our case) and we can donate boxes of cards as raffle prizes. It's good publicity for you and the gallery.
